

vg\_init

```
graph LR; A[vg_init] --> B[set_vbe_mode]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'vg\_init'. The right box is white with a black border and contains the text 'set\_vbe\_mode'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a flow or sequence.

set\_vbe\_mode
